

MY-LINE MINI

ALL-IN-ONE PACKAGING AND FILLING MACHINE

MY-LINE MINI FEATURES

- At a size of only 2,800 x 2,100 mm, the MY-LINE MINI is a compact option for businesses in need of a filler/capper combination, all-in-one machine.
- With only one operator, the MY-LINE Mini can fill and cap up to 1,500 jars per hour.
- The MY-LINE Mini was designed to be safe and reliable while running production, as well as easy to set up and clean at the end of the day
